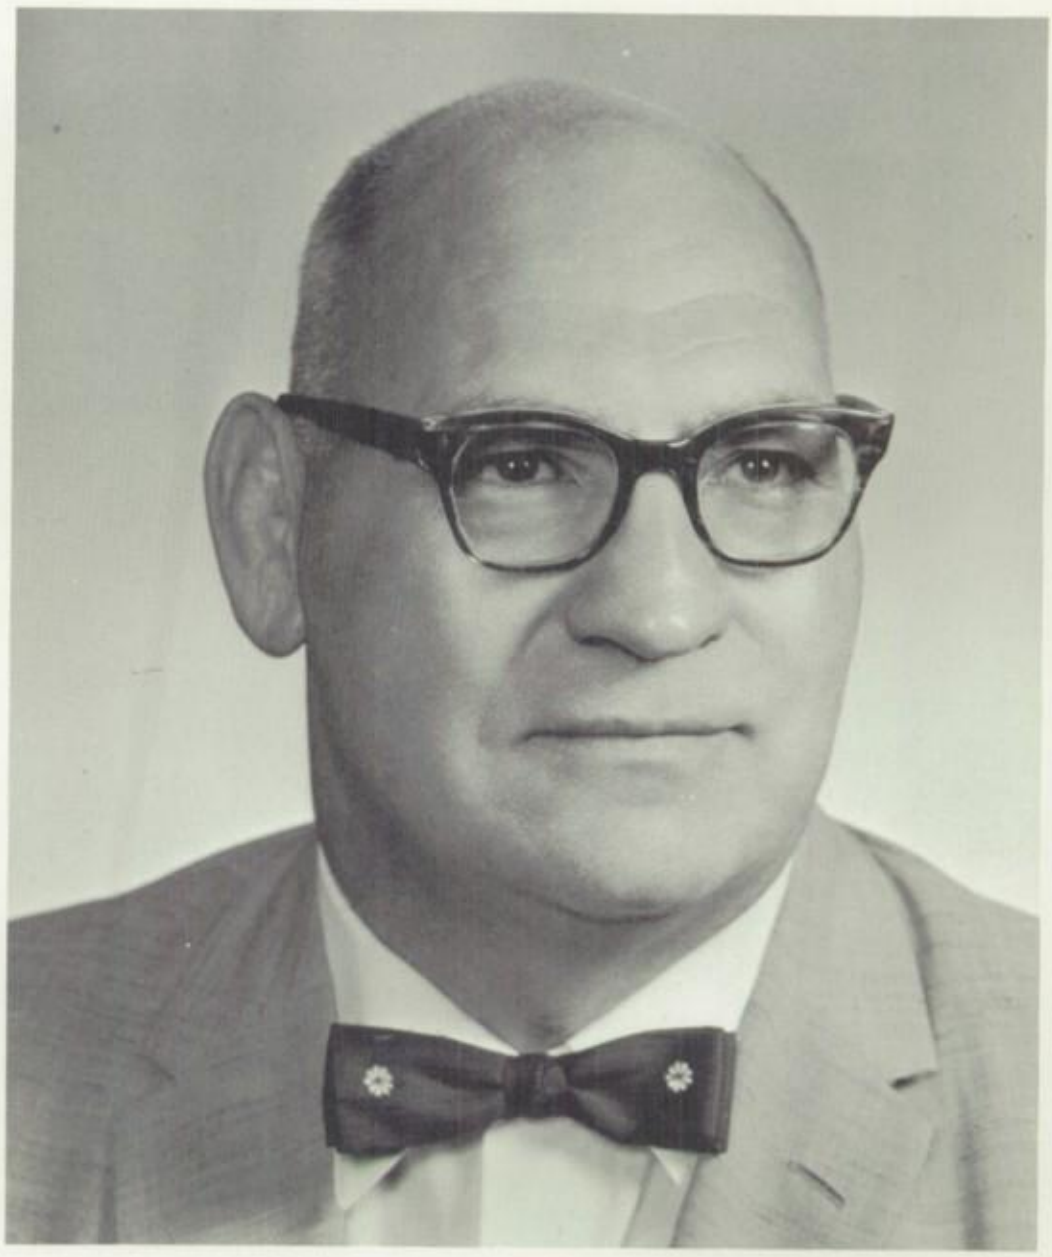
SUPERINTENDENT AND SECRETARY

Our superintendent, Mr. Ernest Zeller, is one of the most highly respected men in our community. He not only cooperates with the local school board, but also maintains the rules and policies of the Indiana State Board of Education. He is responsible for the management of our local Butlet Metropoliton Schools and for those of the Eastern De Kalb County Community District.



Mr. E. M. Zeller

Helen Houlton, Mr. Zeller's efficient secretary has become a very important part of our school system. She is responsible for keeping all records and has the patience and ability to cope with the many problems which arise. It would be difficult to find anyone to match her ability.

PRINCIPAL AND SECRETARY

Mr. Myers, Principal of Butler High School, has won the favor and support of the students. Besides holding meetings, interviews, and make announcements, Mr. Myers acts as counselor and manager of student activities. All of his responsibilities keep our school running smoothly.

He accepts each problem and handles it with ease. Because of his firm beliefs and mild manner, he has presented himself as a fine example to all students attending Butler High School.

Mr. Kent Myers

No matter what happens Gwyn is always there with her friendly smile and familiar laugh. Being the office secretary means real work, and there's plenty of that to be done in the high school office. She has the important responsibility of keeping accurate school records as well as giving all students a helping hand.

We are very fortunate in having Gwyn as a part of our school.

YOUTH FOR CHRIST

The Youth for Christ Club has been very active this year. They have had interesting meetings which consisted of some gospel songs and a good speaker. Occasionally a good film was shown.

Their outside activities were attending the Rallies at Fort Wayne. These were all very interesting and enjoyed by all. Our Butler Bible Quiz team made a good showing at Fort Wayne. All in all, the club which is growing is a success at Butler High School.

We owe the success of the Drama Club to the efforts of it's sponsor, Miss Blanche Griffith. She deserves a vote of thanks from us all for the wonderful job she has done.

CONVOCATIONS

The facts and fallacies concerning reptiles were presented to a breath-holding school assembly by Chuck Naidle, a Wisconsin snake charmer and lecturer.

Each year the Student Council sponsors numerous convocations to be presented before the student body. Each one is brought before the Council and voted on by its members with the consent of Mr. Johnston. We, the members of our school, wish to thank the Student Council for presenting such entertainment. They have also proved to be very educational.

The Borden Bell Ringers presented hymns and popular music played on old school hand bells and numerous other articles.

A MESSAGE FROM THE EDITOR

This year has presented me with numerous challenges, and I'm certain the feelings are mutual with the rest of the staff. One never realizes what effort is put into a project like this until the responsibility is his. I am not sorry for having been presented with this job, because I feel that I have gained excellent experience in working with the staff in producing the 1963 Tropeaum.

While working together, the new ideas of each were used in our yearbook, Dale, as copyeditor, wrote the very excellent articles, and Judy, as subscription manager, did an outstanding job in selling our 1963 Tropeaum. I believe Steve will do very well as editor of next year's yearbook.

I wish to thank all the other staff members for the time and effort you contributed when it was needed. I could never have completed the book without your help. Also I wish to thank Miss Bowyer and Mr. Fiandt for being very patient advisors. Both of you were very helpful. This I sincerely appreciated.

Finally, I would like to thank you, the subscriber. The book's content holds memories for me, as I hope also it does for you.
